The county school superintendents, to the number of more than 100, held their annual convention in Jefferson City last week. State Superintendent of Public Schools Baker told them at the opening session that most of the school districts in the state, (and there are about 10,000 of them) have voted increased levies for teacher's wages, and in most instances, without opposition, and as a general thing the state over, all the teachers will receive greatly increased wages next year. Within the last six years the wages of school teachers in Missouri have increased more than 100 per cent, and now an additional increase is to be added. The wages of teachers in the high schools of the state will range next year from \$1,000 \$1,800, and there will also be a heavy increase in the wages paid rural school teachers. A noticeable feature of the meeting of the school superintendents is the fact that 24 women hold these offices at the present time. It is not so long ago since there was not a woman county superintendent in the state.—Mosby's Missouri Message.

School Notes

The Eliminating Contest held last Monday night was a great success. Long before time for the program to begin the hall was crowded to its greatest capacity with a very interested audience.

On account of the great number of well rendered and interesting literary selections much deliberation was required on the part of the judges. The final decision, however, was: 1st Lois Lovelace, 2nd Rosina Koetting, 3rd Pearl Rigdon.

In music the decision was as follows: 1st Rosemary Naumann, 2nd Rosina Koetting and Myrtle Kern.

While the judges were deliberating a number of High School students entertained the audience with a vaudeville program. Vocal selections were rendered by Madame Josephine and the Overall Boys.

The success of the program is entirely due to the untiring efforts of our Principal, Mrs. L. E. Wild. The Senior Class of '20 will give a play Monday, May 10. The title of the play is: "The Old Oaken Bucket." The admission will be 15 and 25 cents, reserved seats 10 cents extra.

Wednesday, May 12th, the Commencement Exercises will be held in the High School Auditorium. State Superintendent of Schools, Sam A. Baker, will deliver the Commencement Address. Everyone is cordially invited to attend both the play and the commencement exercises.

In Memoriam.

In memory of Charles A. Grieshaber who died one year ago, May 8th, 1919.

We saw you suffer. We heard your sighs,
With aching hearts and weeping eyes.
We saw you sinking hour by hour,
Yet could not stay death's awful power;
But now he calmly sleeps at last,
All pain, all aches, all suffering past.
Forget him? No we never shall;
Friends may think that the wound is healed,
But they little know the grief within
our hearts concealed;
Though from you we had to part,
Your memory still dwells in our hearts.
Sadly missed by
WIFE AND CHILDREN.

Thousands of wild canaries have made their appearance in Central Missouri. In past years only a few of these little warblers were in the habit of visiting Missouri, but here of late great flocks of them are to be observed in almost every community. They resemble the common house canary very closely, about the only difference being that the wild birds are darker and are able to take care of themselves. The Missouri laws protect these birds and the farmers and gardeners are very glad that they have come in such great numbers.
